Many of you know Faustin, Chantal and Samuel, who are members of St. Timothy's. They have bought a home in SW ABQ. We'd like to celebrate this joyous event. "Joyous" is perhaps not comprehensive enough, but joyous will have to suffice. Here is their brief story:

1. *Faustin: I was born in The Democratic Republic of Congo (DRC) south kivu (Bukavu town). I left my country in 2004 and flee to Burundi, the neighbor country. Few months after we were attacked in Gatumba Refeege camp. After that massacre I lived in different countries seeking peace. in 2006 I moved to Ethiopia where I got resettlement to come to America. I came in The United States of America in march 2010. I was resettle in Boise, Idaho. Three years after, I moved in the beautiful city of Albuquerque where I got married to a beautiful wife and we were blessed with our handsome son, Samuel.*

2. *Chantal: I was born in Democratic Republic of the Congo (DRC) in City called Uvira (south Kivu) . I left my country in 2004 due to war. first I flee in Kigali, Rwanda where I continued my education and I graduated from high school with Diploma in bio chemistry . then i moved in Kenya where I got Resettlement to come here In USA . I lived in Dallas Texas for about six months and I got married in Albuquerque 2017.*

3. *Samuel is lucky man who was born Here in Albuquerque in May 2019 and celebrated his first birthday in our new home.*

It's difficult to imagine fleeing for one's life or spending years in a refugee camp. Nor can we imagine what it must have been like to go from standing in line for water and rice to walking into an American supermarket. To own your own home is an American dream for any of us, but for former refugees, it sits at the end of the rainbow. So please join us in congratulating Faustin, Chantal and Samuel!

To RSVP or for information: Becky Lee (858-1472; [blee71willmar@gmail.com](mailto:blee71willmar@gmail.com)) or Neal Mather (505-492-1228).
